That All Along
The Strength
WITHIN YOU
was rising.

Ms. Angela N. Mincy
Principal

Congratulations Class of 2019! I am proud of you and the work that you have put in to reach this important milestone. So many will never accomplish what you have in this moment. This year and the last four have flown by. It seems like just yesterday, our schools were being merged together and now here we are. We are officially one! When young adults leave their parents' home to pursue life endeavors, it is called leaving the nest. In the same spirit, it is officially your time. As you leave the Barringer nest, please be assured that we are always rooting for you and Blue Bear Nation will always be home.

I wish you a lifetime of fulfillment. Live life on your own terms. Do things that make you happy, while improving your community and uplifting those around you. We need young spirited leaders like many of you, so rise to your potential and crush any doubts that others may have of you. This is only the beginning of your journey and the possibilities for your life are endless. Use the education that you have acquired and your natural given talents to make your mark on this world and prove to everyone, that young adults from the Brick City can do great things. Lastly, always remember to live the C.O.R.E. forevermore!

With love and sincerity!
Ms. Mincy

Senior Class Advisors

Dear Class of 2019,

As we prepare for a new journey, I must say my favorite part of Barringer has been and will always be you. As a first year teacher, fresh out of college last year, I learned most of what I know with you and I thank you.

I will never forget the unconditional love, the laughs, the "heart to hearts" the countless jokes, the life coaching, and most importantly the walk we began together on this journey.

There will be no more merengue played in class to wake you up and there will be no more teachers chasing you down the hall to tell yo to go to class, it's all you now and I know you'll succeed! As you move forward into adulthood I want you to remember that there's absolutely nothing that you can't accomplish and I have high hopes and expectations for all of you.

The great Drake once said "Everybody dies but not everybody lives," just let that sink in. I hope you all wake up every single day and live like it's your last! Make yourself proud! I'm truly thankful we have crossed paths as I wouldn't be who I am today without the experiences gained from each of you. I wish you the best in all your endeavors and I can't wait to cross paths with all of you again on our journey through life. #airheads

Love always,

Ms. Tapia

You are my first senior class and it has been an honor to serve as your Co-Advisor. I hope this year brought you plenty of excitement, challenges, victory and four years worth of great memories. Remember you were all born with greatness! No matter your zip code, social economic background, gender, orientation, ethnic or cultural heritage, the world is your platform for greatness. Ms. Tapia and I have experienced a year full of laughs and tears with all of you. I am humbled by your willingness to share your life experiences, be holders of your secrets, and even function as mother/aunt. Oh I can't forget the many funny moments in the hallway. Gentleman always carry your head high. You are kings of this world. I look forward to seeing the amazing men you become. The rulers of nations, leaders of communities, and young men that I'm proud to say I watched grow. Ladies, you are our Queens, our leaders, our nurturers, and our ceiling breakers. Never let statistics or distorted perceptions become barriers of the amazingness that you are to become. If anyone ever asks what good comes from Barringer I will stand on the mountain tops and scream at the top of my lungs the class of 2019! No one has ever seen more amazing, loving, united, persevering, resiliant, and fantastic young people as we have here. I love you and I'm always here to support you. Congratulations on this first milestones and many accomplishments, to come. Always know, we see you (la vemos a usted) we love you (los queremos) and remember (y recordamos) live the core (que viva el C.O.R.E.)

Educationally yours,

Ca Misha V. Stewart, M.Ed, LSW
Student Support Specialist

TOP TEN CLASS OF 2019

Valedictorian

I hope this message finds you well. First, I want to say that we made it! We made it through the struggle of high school, we overcame all obstacles and tribulations. College is here and the real adult life is about to start, new experiences, new opportunities and responsibilities. We are now going to be responsible for our lives and we need to make the best of it.
I hope we all made the right decisions about where or how we're going to spend the next chapter of our lives whether it's furthering our education, going into the military or starting in the work force. One thing I want to leave with you guys is that failing in something isn't the end of the world. I want to share my favorite quote with you guys. "You never fail until you stop trying."
Good luck to everyone, I hope you guys stay safe and enjoy your lives to the fullest and new opportunities that come your way. Own your life and make the best decisions for you and not anyone else. This is just the beginning.

Good Luck.
-Salma Kwarteng,

Salutatorian

I'll be brief, I just want to tell you to do whatever makes you happy, as long as it is fun, it's fine. It's a good reminder to not waste your time, but rather to strive to live each and every moment as the most beautiful in life. This moment won't ever come again, so I have to say that I still believe, even though it's unbelievable: to lose your path is the way to find that path.

Good Luck.

WYCLEF JEAN

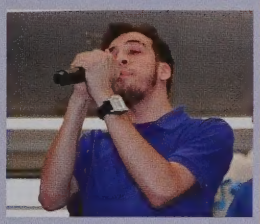
Wyclef Jean Visits Barringer High School

By Mr. Wilson and Mr. Ramalho

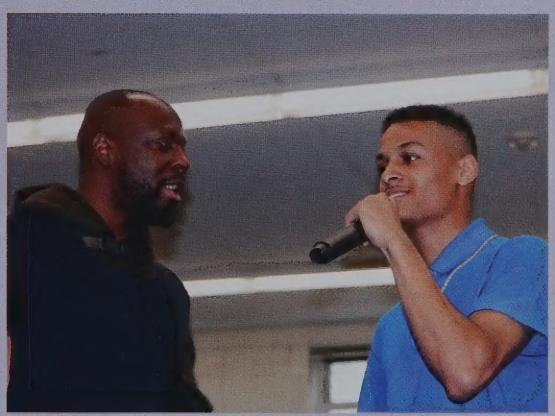
On October 29th, 2018 Grammy award winning artist Wyclef Jean visited Barringer High School to launch the partnership between VH1 Save the Music and Barringer High School. VH1 has donated over $70K of music technology equipment to the Music Technology department to support student learning in music and audio production.

Wyclef spoke to 100 Barringer students about his experiences in the entertainment industry and auditioned student vocalists to be featured on his next album.

He performed a few of his hit songs such as "Maria Maria" and "If I Were President," and ended his visit by making a beat with some of the donated equipment from VH1. Students were left inspired by Wyclef Jean, and students are taking his advice and still working hard on their music.



VH1 SAVE THE MUSIC foundation



Andre Tippett

Street Dedication and Jersey Retirement

Notable Barringer alumnus, Andre Tippett, was one of the greatest linebackers in NFL history; spending his entire 12-year career with the Patriots. A strong-side linebacker who excelled at rushing the passer, Tippett set the record for most sacks over a two-year period with 35 in the 1984 and 1985 seasons and holds the franchise record for career sacks with 100. In 1985, he was named the Defensive Player of the Year for the AFC Champion Patriots. Since his retirement, Tippett has worked for the Patriots and currently serves as the team's Executive Director of Community Affairs. Tippett was voted into the Patriots Hall of Fame in 1999 and was enshrined into the Pro Football Hall of Fame in 2008. In 2019, Andre returned to Barringer to retire his Number.

Michael B. Jordan visits Barringer High School

by: Shirlynn Lynn Shirland, VP

On January 11, 2019, Barringer High School students and staff were pleasantly surprised by Michael B. Jordan, the 'Black Panther' and 'Creed' star, who visited the school and co-hosted a Passion Show with Ms. Quaye and the Future Project students. He also attended the school's Winter Pep Rally (featuring DJ Lil'Man) and the Staff vs. Students Basketball Game (which the staff won). Michael B. Jordan also challenged our principal in a 3-point contest; we are proud to say that our very own Principal Mincy was victorious!

In addition, Ms. Quaye and other staff members in the school worked with Coach, Michael B. Jordan and Workshop to transform the Dream room into a chic, alluring and breathtaking space for our students. T.J. Holmes and Good Morning America was here to interview and document this once in a lifetime experience for our students and school community.

TEAM 6943

While the robotics season has ended for the Blue Bears (FRC Team #6943), the team remains busy with work! In early March, Barringer High School experienced several technical difficulties at their first competition in Horsham, PA. Exactly one week later, the Blue Bears competed in Mt. Olive, NJ where they brought home gold medals, a first place trophy, and winning banner! Team #6943 was selected by Pingry Robotics and The Tigertrons to form an alliance to move onto the quarterfinals. The trio was undefeated for six consecutive matches! Barringer High School was in the top 60 teams for the entire Mid-Atlantic District (which includes New Jersey, Delaware, and east Pennsylvania). Due to their high rank, they proceeded onto the District Championships at Lehigh University.

HOOPS

Accepted

On Wednesday 2/6/19, Barringer had three student-athletes sign their letter of intent to continue their athletic and academic careers at the college level. Zamar Wise, who was a four-year starter and quarterback, played basketball and runs track, signed with Rutgers University, where he will play football. Oluwamumisorire (Fyin) Amori, ran track for Barringer all four years and played soccer for two years, he signed his letter to attend Monmouth University, where he will run track. Angel Carrion played football for four years at Barringer, he signed his letter to attend Washburn University, in Kansas. Even though Angel missed the entire season this year due to injury, he was still able to earn a scholarship due to his past performances on the football field. Congratulations to all three young men on their accomplishments!! Go Blue Bears!

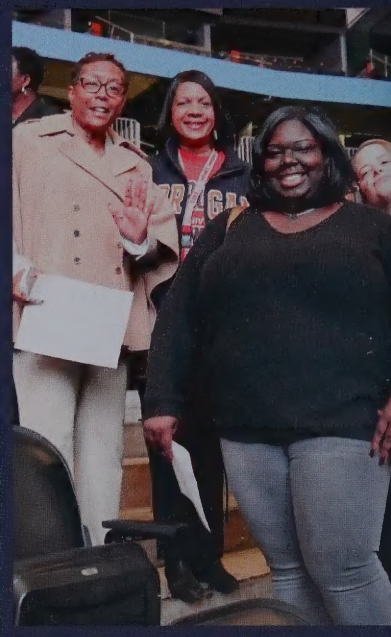
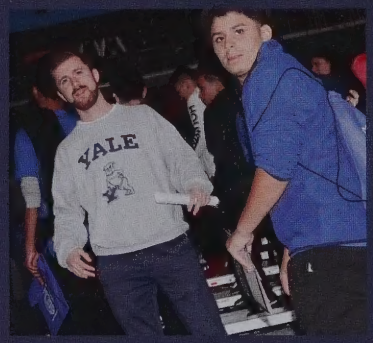
COLLEGE AND CAREER READY



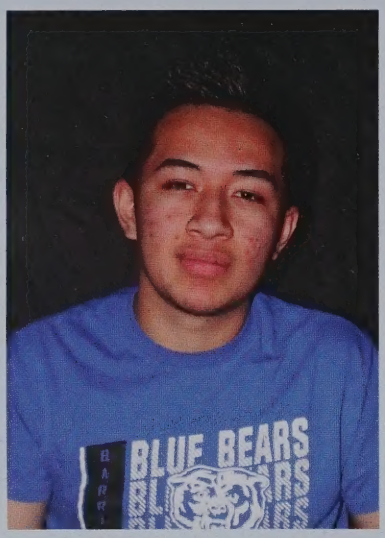


Stanley discusses his options.

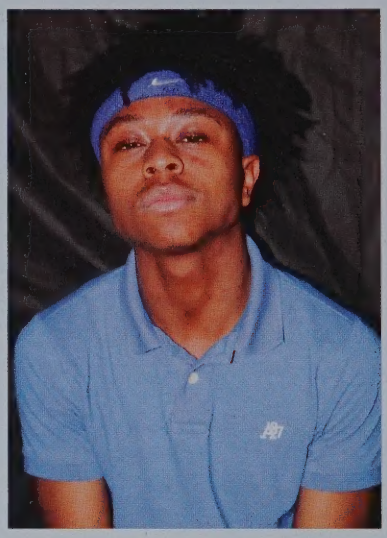
Mr. Durham and Ms. Osoria (SP) lead the way guiding the class of 2019 to the Prudential Center for Newark's City wide College fair.

Smarticles

Ready for the challenges.

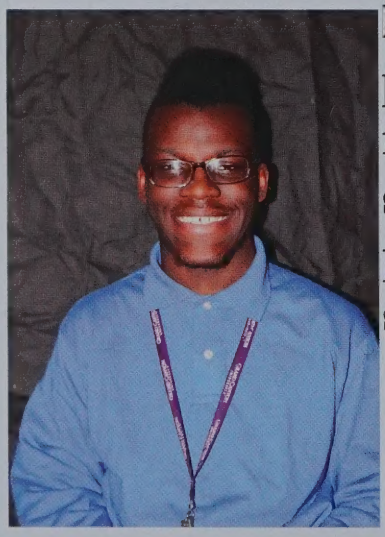


I went on a trip to Montclair State University. I saw college life first hand, and they had ROTC. In a few words, my dreams came together.

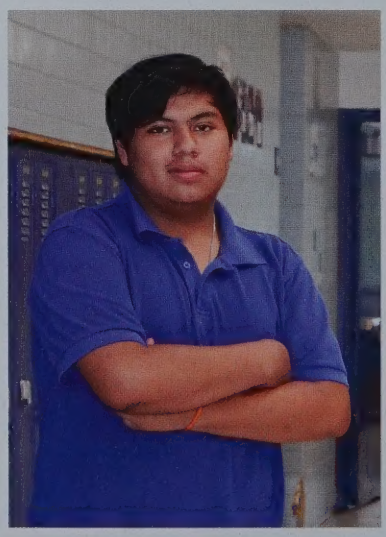


In 11th grade, I was fortunate enough to go to Six Flags for free. It was 10 years since i had been to Six Flags. I was finally able to ride big roller coasters. My favorite ride was Nitro.

My favorite high school memory was when.....



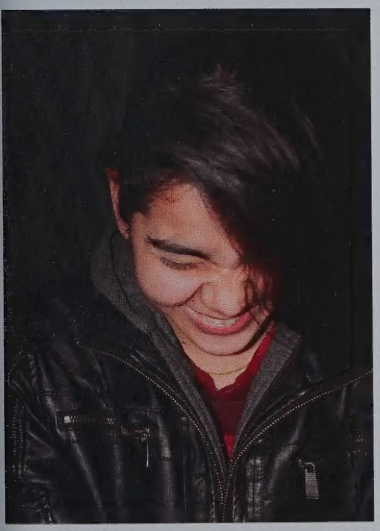
I participated in the talent show and performed a solo in the 10th grade.



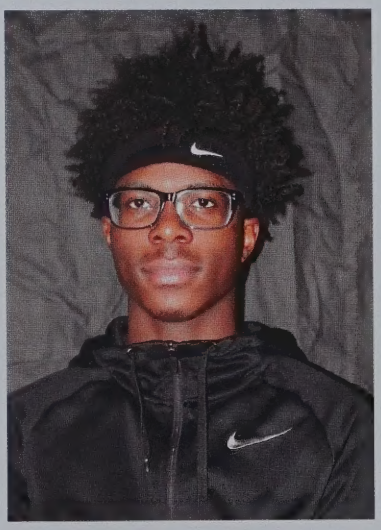
I was in 11th grade, many of the students in my AP Spanish class, brought food that represented their country and we had a potluck.

When I met wonderful teachers that have taught me much and the friends I made in the short time I've been here.

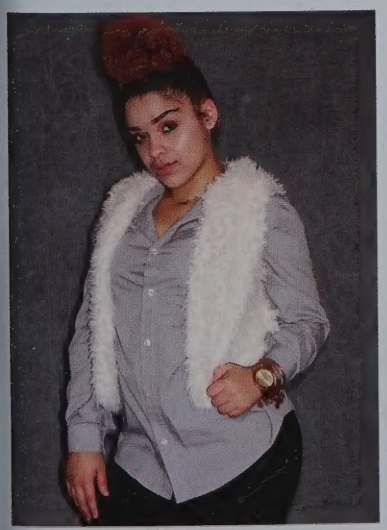
We went on field trips to visit colleges. What impacted me the most was when the tour guides gave me advice based on their personal experiences.



Making a skateboard in Mr. Phillip's class during my junior year.



As a freshman, I qualified for the 2016 New Balance National Outdoor Track and Field.



I started as a varsity player on both softball and volleyball teams. Been on both teams since freshmen year with the girl that's right next to me .. A.K.A MY BISTAAAAAAAA

.

I was able to play throughout all my 4 years as a Varsity Starter in both Volleyball and Softball and as a plus, with the girl to the left of me... AKA MY BISTAAAAAAAA
